OAKLAND UNIVERSITY

Greetings Participant,

It is an honor to welcome you to the 2025 Women in Leadership Summit: Unstoppable – The Era of Women! We are thrilled to have you join us for this transformative gathering of trailblazing leaders, changemakers, and allies. As a national organization, The Unity Collaborative (TUC) is deeply committed to dismantling systemic barriers, amplifying underrepresented voices, and cultivating inclusive cultures where every individual is valued and empowered.

This summit is an extension of our mission—a space where influential leaders like you come together to share strategies, inspire action, and break barriers. Through candid conversations, mentorship, and actionable solutions, we are ensuring that women continue to thrive, lead, and reshape the future across industries and communities.

Over the course of this event, you will engage in dynamic discussions, build meaningful connections, and gain invaluable insights that will propel your leadership journey forward. Whether you are a seasoned executive, an emerging leader, or a dedicated ally, your voice and presence are integral to this movement. We look forward to learning, growing, and making an impact together. Let's continue to break barriers, elevate one another, and redefine leadership for generations to come!

We would also like to extend our deepest gratitude to our event sponsors, corporate partners, planning committee members, volunteers, staff, and program participants. Without each of you, this event would not be possible. Your support, dedication, and contributions are the driving force behind this summit's success.

Sincerely,

Darlene King-Turner

CEO & President The Unity Collaborative
